

**KING INDUSTRIES, INC.**  
**HY BRID CHEMICAL OPERATOR ASSISTANT**  
**JOB DESCRIPTION**

King Industries, Inc. is currently seeking a motivated and dependable individual to join our Manufacturing Department at our plant in Waterbury, CT as a Chemical Operator Assistant. This is an exciting opportunity to work in a dynamic production environment with a company that values quality, safety, and employee growth. King Industries, Waterbury manufactures lubricant base stock for premium synthetic oil, grease and hydraulic fluid. Our on-the-job training is accomplished through learning from and working directly with senior operators or chemical engineers. Levels of achievement and certifications are scheduled milestones.

**Location: King Industries Plant in Waterbury, CT**
