

**KING INDUSTRIES
JOB DESCRIPTION
ENTRY LEVEL CHEMIST**

Working Location- Norwalk, CT

King Industries is actively looking to hire an Entry Level Chemist within our Coatings Department. Ideal candidates should have a Bachelor of Science degree in Chemistry or other Science disciplines as well as willingness to work in a team environment.

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties, or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time.

1. Skills Required:

- Must be a self-starter and well organized.
- Ability to interact well with associates and supervisors.
- Good verbal and written communications and mathematics skills.
- Willingness to learn.

2. Education and Experience Requirements:

- Minimum Bachelor of Science degree in Chemistry or other Science disciplines.
- Familiarity with classic wet chemical and instrumental techniques.
- Experience with computers and spreadsheets.

3. Duties and Responsibilities:

- Analysis of raw materials, and in-process and final products for compliance with requirements.
- Maintenance and calibration of laboratory equipment.
- Maintaining and ordering laboratory supplies.
- Providing support in solving process problems and customer complaints.
- Assistance in developing and writing of departmental procedures, instructions, and test methods.
- Maintaining orderliness of laboratory and washing glassware as needed.
- Participation in company safety and other training programs.
- Miscellaneous job-related tasks as requested by supervisor.
- Participate in Company wide effort to promote quality assurance in compliance with ISO 9001, ISO 14001, and OHSAS 18001.
- Maintain a general knowledge of ISO 9001, ISO 14001, and OHSAS 18001 requirements.

To apply, please submit your cover letter and resume to vcrichardson@kingindustries.com.
