NA-SUL® CA/W1213 is a liquid, wax containing rust preventive additive specifically designed for formulating rust preventive fluids for use in harsh environments, such as salt fog exposure. It is also recommended for use in high humidity or normal indoor storage.

CHEMICAL COMPOSITION: Calcium alkylaryl sulfonate/carboxylate and petroleum oxidates.

APPEARANCE: Viscous, clear brown liquid.

TYPICAL PROPERTIES:

NA-SUL CA/W1213 shows outstanding rust and corrosion resisting properties when exposed to harsh environments, such as salt fog. NA-SUL CA/W1213 forms extremely hydrophobic thin films giving superior metal protection in harsh salt environments as well as in 100% humidity conditions. NA-SUL CA/W1213 has much improved solubility in highly paraffinic oils compared to other wax containing additives. It is recommended to check rust preventive fluids based on NA-SUL CA/W1213 for compatibility with chemicals that may contaminate the fluid in actual use. This is particularly important for highly alkaline contaminants.

ADVANTAGES: * Excellent rust and corrosion inhibitor  
* Improved solubility in paraffinic oils  
* Excellent salt fog protection

(see reverse side)
TEST RESULTS: Technical reports are available from King Industries and can be requested by contacting the offices shown below.

SOLUBILITY: Soluble in petroleum and synthetic lubricant base stocks and most common solvents. Insoluble in water. However, it is recommended to verify the solubility in the base oils used and the compatibility with other additives.

STANDARD PACKAGING: 420 lbs (191 kg) open head drum.

STORAGE CONDITIONS: Store in a cool dry place away from any direct sources of heat and moisture. Maximum recommended storage temperature: 46ºC (115ºF)

SHELF LIFE: Best if used within 3 years from the date of manufacture.

HANDLING: Avoid all personal contact. Observe good personal hygiene. For additional information, it is advised to consult the Safety Data Sheet (SDS) for NA-SUL CA/W1213.

REGISTRATION: Please refer to Section 15 of the Safety Data Sheet for information.
